

12, Winstanley Crescent

Ramsgate

Kent

10/4/10

CT12 7SS

Your window fitter visited the above  
address to repair some work.

The lounge window has a wooden sill  
left under the double glazed window. I have  
agreed with the window fitter a solution to this  
problem, and am very happy with the  
decision made.

Thank you for rectifying the issues we  
had and we will now be more than  
happy to recommend your company.

Regards:

H. ~~Bartlett~~

(Mrs. BARTLETT)
