

FROM D.H. & D. CLEMENTS

To the Director
Enviro Glaze
Chelmsford

Dear Sir,

I felt impelled to write a short note to tell you how pleased we are with the three windows your company fitted for us last week – they were certainly above my expectations and fulfilled everything you promised.

We were also very impressed with the fitters we had, namely, Steve, Gifford and Kevin. They were very polite and courteous and left things looking very clean and tidy. Cristian Basile was also very polite and businesslike in his approach.

I can assure you that if we require any other improvements or windows we would not hesitate to place an order with your company.

Yours faithfully

D. Clements.
